## Lake Refrigeration

Servicing, repairing and  
installation of commercial  
refrigeration and air conditioning  
systems

---

---

# Commercial refrigeration and air conditioning system services

Lake Refrigeration provides first-class servicing, repairing and installation of commercial refrigeration and air conditioning systems to a loyal and growing client portfolio all around Melbourne.

---

### Airconditioning

We provide high standard installations of split system air conditioners, using proven brands and providing warranties on all installations.

# Refrigeration

At Lake Refrigeration Australia Pty. Ltd. we are specialists in carrying out prompt, permanent and affordable repairs for commercial refrigeration breakdowns.

We have fully stocked service vehicles with all common parts stocked to ensure your equipment is back up and running at the soonest time possible, minimizing unnecessary travel costs to suppliers. We offer and recommend maintenance programs to ensure optimum operation, longevity and low running costs on your equipment.

Our service also provides the installation of commercial cool rooms and freezer rooms, with all installations carried out to manufacturers specifications and specifically engineered to suit your needs, ensuring low running costs and equipment warranty.

---

# About Lake Refrigeration
